Jim,

Wanted to thank you again for taking time out of your busy schedule to meet yesterday (plus it was good to see your mayfly work). Attached is the final presentation that I presented yesterday (including those figs that weren't in the version I sent you on Monday). I took a stab at Laura's e-mail address but not sure if that is it or not.

I know you will be busy the rest of the trip but you're welcome to swing by our facility for a tour if you can fit it in (even after hrs if that works better for you).

Thx and hope to see you in Long Beach (and I'll be in touch about the manuscript). -Rami
